About Project

- **Name:** FourGemsShop
- **Pain:**
 - Prone to price hikes and overcharging
 - No post-purchase incentives policy
 - No dedicated policy for loyal customers
 - Lack of strict management based on roles within the application
- **Gain:**
 - Prices are continuously updated
 - Prices are always transparent and clear
 - There is a professional department and policy for buyback and after-sales warranty
 - Multiple payment methods available
 - Router goods between counters
- Introduce FourGemsShop: Our product is a jewelry website that offers a diverse range of designs, catering to sophisticated ladies and elegant women who wish to enhance their beauty with pieces that perfectly complement their individual style.
